Products distributed by CVS Caremark Specialty Pharmacy, as well as products covered by a plan member's prescription benefit plan, may change from time to time. For drugs listed that are not currently available through CVS Caremark Specialty Pharmacy, members will be referred to the manufacturer's designated specialty pharmacy provider. In addition, a plan member's specific prescription benefit plan design may not cover certain products or categories, regardless of their appearance on this document. Listing is subject to change. This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Caremark.
